13B Thomson Street Sunshine VIC

2 1

The superlative single level spaces of this stylishly designed, just completed residence bring a bright, fresh perspective to a position offering the established advantage of proximity to Sunshine's town centre, transport options, parks and schools.

Two double bedrooms with built in robes line an entrance hall that leads to an impressively appointed central bathroom and beyond to a living/dining domain that's filled with natural light. Reverse cycle heating/cooling guarantees constant comfort to dimensions served by a kitchen where stone benches, soft closing storage and stainless steel appliances convey a focus of form and function, elegance and efficiency. Security system, low-maintenance outdoor areas, a 2020L water tank and easily accessed off street parking provide a perfect conclusion to a brand new profile.
