## 14 White Street FOOTSCRAY VIC

2  1 

A brand new home that provides such stylish single level spaces in such a sought after location is sure to impress. This completely contemporary residence features open-plan living/dining areas that are kept constantly bright by northern light and served with elegant efficiency by a kitchen where stainless steel appliances complement a sleek, sophisticated profile. Two bedrooms with a potential study or nursery, sharing a gleaming central bathroom contribute ideal accommodation to a home that's accompanied by heating/cooling, quality fittings and finishes and a private courtyard retreat. Proximity to tram routes, Footscray Primary School, the area's wonderful shopping and cafes further enhances a property that's designed with today - and tomorrow - in mind.
