The sense of space is immediately apparent throughout this superb triple fronted family home - in which polished floors, faultless presentation and northern light also instantly capture the attention. Automatic gates and a manicured front garden introduce beautifully bright, exceptionally generous living and dining areas accompanied by an open plan kitchen featuring stainless steel appliances and a walk-in pantry while three luxuriously large bedrooms, each with built-in robes, surround a gleaming central bathroom. Ducted heating and evaporative cooling deliver total comfort to spaces that flow seamlessly to a full width, entirely under-cover rear deck designed with entertaining in mind. Double carport, extensive additional parking, secure work-shop, 3000L water tank with pump and second frontage to Laurie Street further enhance an outstanding address directly opposite Newport Lakes Park, walking distance from schools, the
