

J A S

236 Francis Street Yarraville VIC

3 1

This family home has been fully renovated to a high standard. The property has been sound proofed with double glazed windows and extra insulation. Features of this property include three double bedrooms (two with BIR's), bathroom with separate shower and bath, lounge room with aircon/heating, open plan kitchen and meals area with gas cooking and dishwasher. This leads onto a great undercover entertaining area and large low maintenance backyard with storage shed. Other features of this property include polished floor boards, separate toilet, abundance of off street parking and a gardener included! Located within a short walk to Yarraville village and public transport at your door step.
