18 Stephen Street SEDDON VIC

2 2 1

This ultra modern, sophisticated, multi level home offers an abundance of natural light and high quality fixtures and fittings across a well flowing floorplan. The ground floor consists of a stunning, high ceiling entrance hall with storage, open plan living and dining zone, designer kitchen with stainless steel appliances and powder room. Two spacious bedrooms, both with built in robes and split system heating/cooling, one serviced by an ensuite and the other by a glimmering central bathroom with bathtub and private balcony complete the upstairs level. Additionally commercial double glazed windows, 60 mil stone benchtops, heating and cooling and plenty of storage providing both comfort and convenience. Outdoors an off street car space to the front and secluded, low maintenance courtyard at the rear ensure the appeal of this home is consist both internally and externally. As if this isn't impressive enough, all of this is located within walking
