This spectacular residence is definitely where you will want to call home. They say big is better, and it doesn't get much bigger than this! Split over two levels, downstairs offers a bedroom/study and impressive open plan kitchen/living area overlooking the landscaped rear yard. The kitchen is fully appointed with stainless steel appliances including dishwasher and butlers pantry. High ceilings, beautiful timber flooring and an abundance of natural light throughout are only some of the features on offer downstairs. Upstairs presents master suite with sparkling ensuite featuring frameless glass shower screen and floor to ceiling tiles with two other bedrooms, each with built in robes. Central bathroom doesn't disappoint with luxurious bath and separate shower. With an endless list of additional features such as ducted heating & cooling, remote garage with internal access, beautiful feature lighting throughout and low maintenance yards and
